# THE PRACTICE OF WHITE TARA

The Wish-fulfilling Wheel

**Saturday, September 1, 2018 1:00 pm**

*White Tara, the female Buddha and swift healer who brings long life, health, and enlightenment.*

This teaching and reading transmission by Dr. Fred Cooper will cover the philosophical and practical aspects of Vajrayana visualization and mantra recitation (Development and Completion Stage practice) in the context of the practice of White Tara. The practice is very appropriate for beginners as well as experts. The teaching is based on the commentaries by Jamgon Kongrul and Mingyur Dorje. To register call (505) 982-4763. Suggested Donation: \$25.

Professor Cooper is a close disciple of H.E. Khentin T'ai Situ Rinpoche and has taught for over 30 years at Kagyu Centers around the world. He is currently associated with the Santa Fe Institute and Los Alamos National Laboratory.

(Bring Bell and Damaru if you have one!)
